## Introduction

REVAS Comapny is among Rwanda leading firm of accountants, tax professionals and business advisors. The firm is headquartered in Kigali Rwanda with affiliate partners in other East African Countries. Our services lines include external and internal audits, project audits, expenditure verifications, tax consultancy, accounting, transaction advisory, business and project risk management, collateral management and research.

Our clients consist of family-owned companies, donor funded organization, national and County Government, startups, joint ventures, and global multinationals. We pride ourselves on providing excellent solutions that help our clients succeed and flourish in the ever-changing business environment. We employ tools and techniques combined with dedicated professionals to evaluate potential opportunities and risks in delivering effective auditing and tax consult services.

Our teams are the key drivers of sustained sustained business success for our clients. In supporting and advising broad spectrum of businesses and the people behind them with the aim of providing an imaginative, responsive, value-for-money service of the highest quality, we take pride in having a team that inspire confidence in the solutions we offer.

Our clients benefit from an unified approach based on understanding the key issues facing manufacturers, Small, medium and large-sized businesses and organizations.

### Mission:

To deliver excellent, value for money professional services in time meeting specific customer requirements.

### Values:

- Quality
- Integrity
- Independence
- Commitment
- Customer Focus

### Vision:

To become one of the best consulting firm in East Africa providing value added solutions to clients.

## Services

### 1. Auditing

We are equipped with state of art tools and techniques along with dedicated professionals to evaluate potential opportunities and risks delivering effective auditing & taxation services. We understand a value adding auditing together with taxation service focus on scope of business improvement rather than merely preparing financial statements, filling taxes and reporting on figures.

Our expertise in analyzing accounting systems, designing better systems with proper internal controls and management information reporting help our clients to adequately plan their business building strategy and give them the confidence to pace up with the rapidly moving economy and being compliant to the tax administration.

We assist you with below services

- Statutory Audit & expenditure verification
- Internal audits
- Stock and asset auditing
- Information Security auditing
- Fraud Investigation Reports
- Merger & Acquisition
- Financial Due diligence reports
- Risk advisory
- Loss control
- Transaction advisory

### 2. Accounting, Bookkeeping and financial reporting

Accounting and bookkeeping is a necessity of every organization irrespective of its size. Our professionally qualified and experienced accountants understand and analyze business transactions and ensure compliance with accounting standards.

REVAS Company has well trained staff familiar with many of the accounting software. Qualitative and timely accounting reports are crucial for the success of any business organization. REVAS Company ensures relevant and reliable financial reports are delivered on regular intervals to assess performance and to facilitate decision making.

Outsourcing of accounts department and CFO services helps you to get professional expertise at lower cost and REVAS Company provides the most efficient and effective bookkeeping solutions.

We assist you with below services

- Financial statements preparation and presentation
- On the job coaching and training to the finance personnel
- Bookkeeping outsourcing services
- IFRS and IPSAS implementations and compliance reviews
- Payroll processing
- Training of accounting staff
- Asset tagging & assets register development
- Year-end closing procedures
